performance of the city over the past three years. The members expressed their gratitude for the presentation, as it offered valuable insights for tracking and monitoring the city's economic progress.

The 2020 Census on Population and Housing (CPH) and Public Use Files (PUF) were also topics of discussion during the meeting. Senior Statistical Specialist, Mr. Jessie D. Lobo, provided a demonstration on how to create and generate tabulations from the PUF using the Census and Survey Processing System (CS Pro). He emphasized that the same procedures will be applied to the data from the Community-Based Monitoring System (CBMS) in generating tabulations. The members really engaged to the very interesting discussion.

The meeting concluded with some words of gratitude from the ACSC Chairperson, Engr. Nilda R. Quito. The convening was officially adjourned at exactly 3:37 PM.
