Among the 16 production industries, Mining and quarrying was the fastest growing industry at 25.8 percent. This was followed by Other services, and Accommodation and food service activities with a growth of 22.8 percent and 18.2 percent, respectively. Meanwhile, the decline of Public administration and defense; compulsory social security at 3.6 percent and Agriculture, forestry, and fishing at 9.1 percent pulled down the growth of the province in 2023.
