## PSA Conducted Respondents' Forum for Establishment Surveys

Date of Release: 11 December 2024

Reference No. 2024-PR-0314-10

*Open Forum in 2024 MISSI/PPS and QSPBI Respondents Forum*

In line with its mandate to “Provide Statistics for a Globally Competitive Economy,” the PSA Provincial Statistical Office (PSO) Bulacan held its Respondents’ Forum for establishments on December 11, 2024, 8:00 AM, at Mighty King Restaurant, Guiguinto, Bulacan. The event aimed at gathering feedback and discussing challenges in filling out questionnaires and data submission. A total of 46 participants attended, including selected representatives from establishments, Local Government Units (LGUs), and media partners.

Statistical Specialist II Jackie Lou Sto. Domingo discussed the Monthly Integrated Survey of Selected Industries (MISSI) and Producer Price Survey (PPS) background and results, while Supervising Statistical Specialist Marcelino De Mesa demonstrated MISSI/PPS Computer-Aided Web Interviewing (CAWI) Application. On the other hand, Statistical Specialist II Marian Tayson highlighted the role of Quarterly Survey of Philippine Business and Industry data in figuring up the Gross Domestic Product of the Philippines.

An open forum was held to foster collaboration and feedback. PSA-PSO Bulacan remains committed to delivering quality statistics and promoting responsive public service. The event concluded with the awarding of certificates to the dedicated establishments.
