Date of Release: 11 December 2024
Reference No. 2024-PR-0314-11

PSO Bulacan CSS Elmor Barroquillo delivers welcoming remarks during the Forum.

The Philippine Statistics Authority (PSA) – Provincial Statistical Office (PSO) of Bulacan successfully held its Respondents' Forum on Construction Statistics from Approved Building Permits on December 11, 2024, 1:30 PM, at Mighty King Restaurant, Guiguinto, Bulacan. A total of 31 participants attended, including representatives from City/Municipal Planning and Development Office, and City/Municipal Engineering Office.

With the theme "Building Smarter: Shaping Construction Landscape through Statistics," the forum highlighted construction statistics from approved building permits. Statistical Specialist II Llewelyn E. Buan, presented the regional data results. The event also recognized the valuable role of LGUs specifically Local Building Officials (LBO) as the data providers. The open forum provided an opportunity to discuss challenges and gather feedback for improvements.

The event concluded with the awarding of certificates to participants, acknowledging their active involvement and contributions to the success of the forum.
