The **Philippine Statistics Authority (PSA) Zambales Provincial Statistical Office** successfully hosted the **National ID System Awarding Ceremony** on **December 15, 2024**, at the Subic Bay Travelers and Event Center.

During the event, PSA Zambales Chief Statistical Specialist **Norman L. Bundalian** expressed heartfelt gratitude to the National ID Personnel, particularly the dedicated field personnel who tirelessly conducted registrations in various barangays and locations daily.

As of this milestone, PSA Zambales has achieved an impressive **1,424,196 registrations**, equivalent to **156.52% of the 2020 Population** of the Province of Zambales and the City of Olongapo. The office has also earned **3rd place in the overall National ID System Operations** across the **81 provinces**, as recognized during the recent PSA Awards.

This ceremony symbolizes a major leap forward in establishing a **unified identity system**, which not only benefits the residents of Zambales but also contributes significantly to the nation's progress. The **Philippine Identification System (PhilSys)** is a cornerstone initiative, enhancing convenience, security, and public service delivery for every Filipino, and fostering a more inclusive and efficient future for the country.

PSA Zambales remains committed to its mission of delivering quality services and innovations for the betterment of the community and the nation as a whole.

NORMAN L. BUNDALIAN
