## 2022 Annual Survey of Philippine Business and Industry and 2024 Quarterly Survey of the Philippine Business and Industry Provincial Data Dissemination Forum

Date of Release: 02 January 2025

Reference No.: 2025-001

Participants of Annual Survey of the Philippine Business and Industry Data Dissemination Forum and Quarterly Survey of the Philippine Business and Industry Provincial Respondents Forum at Belle's Catering sa Lumang Bahay, Valdefuente, Cabanatuan City, Nueva Ecija on 20 December 2024.

The Provincial Statistical Office of Nueva Ecija successfully conducted the **2022 Annual Survey of Philippine Business and Industry (ASPBI)** and **2024 Quarterly Survey of Philippine Business and Industry (QSPBI) Provincial Data Dissemination Forum** at Belle's Catering sa Lumang Bahay, Valdefuente, Cabanatuan City on 20 December 2024. This event presented the survey results on the structure, trends, and levels of economic activities in the country for the year 2022. Also, the role of QSPBI Data in Figuring Up the GDP of the Philippines.

Participants from government agencies, banks, hospitals, electric companies, local business leaders, academic institutions, and other partner agencies attended the event, encouraging cooperation among important local economy participants.

In her opening remarks, Ms. Girlie G. De Guzman, OIC-Supervising Statistical Specialist, emphasized the importance of stakeholders and respondents: *"The ASPBI and QSPBI served a valuable, important role in getting the complete picture of the economy in Nueva Ecija"*.

OIC-SvSS Girlie G.
