On May 1, 2025, the team joined the 123rd Job Fair Celebration in partnership with TESDA at SM Cabanatuan City. The event attracted numerous job seekers, offering them the opportunity to register for the National ID, learn about its advantages, and access employment services. The team provided on-site registration assistance and information dissemination, supporting the government's efforts to streamline identification processes and enhance employment facilitation.

Following this, the team participated in the General De Jesus College Job Fair on May 6, 2025, in San Isidro, Nueva Ecija. This initiative further expanded outreach, encouraging more residents to register for their National IDs and become aware of the convenience and security it offers.

The Nueva Ecija team remains committed to promoting the National ID system, ensuring accessibility, and supporting local employment initiatives. Through these efforts, the team aims to foster a more inclusive and efficient identification system across the province.

In line with this commitment, the team will also be participating in the upcoming Job Fair on **June 12, 2025**, further extending registration services and continuing to raise awareness about the National ID and its benefits.
