Candelaria, Zambales – June 13, 2025 — The Philippine Statistics Authority (PSA) Zambales, in partnership with the Local Government Unit (LGU) of Candelaria, successfully conducted a focused National ID registration drive on June 13, 2025. The initiative catered to 23 residents, with special attention given to vulnerable sectors: 15 Social Pensioners and 8 members of the Pantawid Pamilyang Pilipino Program (4Ps).

This targeted registration activity reflects the ongoing commitment of both PSA Zambales and the LGU of Candelaria to ensure inclusive and equitable access to the Philippine Identification System (PhilSys), particularly for individuals who stand to benefit most from improved access to social protection and government services.

“Bringing the PhilSys closer to our most vulnerable constituents not only empowers them but also strengthens our collective drive toward more efficient service delivery,” said [Insert Official's Name], [Insert Title], PSA Zambales.

This collaborative effort is part of a wider campaign across Zambales Province to reach all eligible citizens, with additional registration drives planned in the coming months.
