Figure 2. Number of Registrants in the National Identification System Step 2 by Month, Bataan January 2025 to April 2025.

The number of registrants decreased during the month of April 2025 due to the decrease in numbers of workload for the second quarter; given that we have one (1) registration kit in three (3) districts of Bataan and one (1) registration kit in the fixed registration center at the Bunker. Coordination with the Local Government Units (LGUs), Department of Social Welfare and Development (DSWD) Bataan and Department of Education Bataan (DepEd) to conduct National ID registration and authentication of National ID Card Number, issuance of ePhilID, and saturation of the area was done this month. PSA Bataan went to far-flung areas to extend the services provided. Furthermore, 1,521 in January 2025, 2,422 in February 2025, 2,693 in March 2025, and 838 in April 2025.

National ID Step 3- Delivery of Philippine ID

Table 4. Delivery Updates as of 30 April 2025.

Concerning the total number of received PhilIDs, all PhilIDs with the Post Office were delivered . In total, 100 % delivered and 5,563 return-to-sender endorsements to PSA Regional Office.

Province	Total Number Received by Post Office	Total Number Delivered by Post Office	On-Going Deliveries by Post Office	Percentage Delivered by Post Office	Return to Sender (RTS) Endorsed to PSA Regional Offices
BATAAN	430,354	430,354	0	100%	5,563

National ID Step 3- Issuance of ePhilID

Table 5. ePhilID Accomplishment as of 30 April 2025.

The ePhilID issued in the province up to this month was 334 out of 2,220 target ePhilID based on the total number of workload for Step 2 Registration from April to June 2025, the figure is equivalent to 15.05% issued of the target as of April 2025. This table shows that the target output was not yet met in the prescribed period as most of the registrants opted to create Digital ID by themselves rather than visiting registration centers. The registration team continues to serve the Bataaños on the same day issuance of ePhilID after the step 2 registration.

PROVINCE	Total Issued ePhilID as of 30 April 2025	Target ePhilID for April to June 2025	Total Percentage Issued
BATAAN	334	2,220	15.05%

The City of Balanga had the highest numbers issued ePhilID with 249, followed by the municipality of Orion with 78, municipality of Mariveles with 5 and municipality of Pilar with 2 issued ePhilID. Other municipalities such as Dinalupihan, Hermosa, Orani, Samal, Limay, Bagac and Morong had not issued ePhilID due to limited numbers of registration kit based on the workload given by the central office, only two (2) registration kits allowed to operate in the province at prescribed period.

Figure 3. Number of ePhilID Issued in Bataan by Municipality as of April 2025.

The municipality of Mariveles had the highest numbers issued ePhilID with 31,545 followed by the city of Balanga with 31,476, and municipality of Dinalupihan with 22,481. Morong has the least issued ePhilID with 6,575.

TECHNICAL NOTES

PhilSys - The Philippine Identification System or PhilSys is the government's central identification platform for all Filipino citizens and resident aliens of the Philippines.

PhilSys Registration Team – was deployed in far-flung areas to bring PhilSys closer to Filipinos residing in Geographically Isolated and Disadvantaged Areas (GIDA). The team utilized available modes of transport in localities to ensure that Filipinos will be registered to the PhilSys.

RA 11055 Republic Act No. 11055, otherwise known as the Philippine Identification System Act, aims to establish a single national identification system for all citizens and resident aliens of the Republic of the Philippines.

PhilID – a simple plastic card with overt security features used primarily as a physical medium to convey the PCN, registered demographic data and facial image, and a digitally signed Quick Response (QR) code encoded with demographic data and two biometric fingerprint labels.

Step 2 Registration - is the validation of supporting documents and collection of biometric information such as iris scan, fingerprints, and front-facing photograph.

Step 3 PhilID - is the delivery of the physical PhilID cards to owners by the Philippine Postal Corporation (PHLPost)

Step 3 ePhilID – is the issuance of the digital version of the PhilID which is printed on a piece of paper to owners by the PhilSys Registration Team.

Step 2 Registration Date Initiated – the operations start in the Province of Bataan on January 26, 2021.

Step 3 ePhilID Issuance Date Initiated – ePhilID Issuance started on October 03, 2022.

Resident Alien – an individual who is not a citizen of the Philippines but has the appropriate immigrant visa or established residence in the Philippines for an aggregate period of more than 180 days and is in possession of an alien Certificate of Registration (ACR) I – Card.

Co-locations- to partnership with other agencies for the registration to Philippine Identification System.

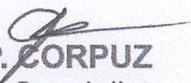

Saturation- is a strategy to cover all the unregistered persons in the Philippine Identification System.

PCN- PhilSys Card Number is printed on the front of the Philippine ID.

Authentication - is a process to ensure a more streamlined and secure method of verifying the identity of a person.

Family Development Session (FDS) - this is a program of DSWD to allocate the financial support to the 4Ps beneficiaries.

PhilSys Registration Kit - refers to the materials and equipment used by the Philippines Statistics Authority (PSA) to collect demographic and biometric data from individuals during the National ID registration process.
