

PRESS RELEASE

PSA Zambales Participates in Blood Donation Drive as Part of Social Responsibility Commitment

Date of Release: **30 June 2025**

Reference No.: **PR2025-037**

27 June 2025 – Demonstrating its continued commitment to social responsibility and public health, the Philippine Statistics Authority (PSA) Zambales Provincial Statistical Office (PSO) actively participated in a Blood Donation Drive held on 27 June 2025 at Ayala Mall, Subic Bay Freeport Zone, in collaboration with the Philippine Red Cross – Olongapo City Chapter.

The activity was part of a wider community initiative to raise awareness about voluntary blood donation and help maintain an adequate supply of safe blood for local hospitals and emergency medical care. A total of seven (7) PSA Zambales personnel volunteered as blood donors during the event.

“Participating in this life-saving initiative is one of the many ways we extend our public service beyond data collection,” said Norman L. Bundalian, Chief Statistical Specialist of PSA Zambales.

PSA Zambales participated in the Blood Donation Drive held on 27 June 2025 at Ayala Harbor Point Mall.

All participating donors underwent proper health screening and safety protocols, in accordance with the standards set by the Department of Health (DOH) and the Philippine Red Cross.

This meaningful engagement reflects PSA Zambales' commitment to being a responsive and responsible agency—one that contributes not only to statistical development and governance, but also to the well-being of the community it serves.
